Chapter Two: The Bank of Israel, Its Objectives, Functions, and Autonomy

2. The Bank of Israel, its Organs, and its Seat

- (a) The Bank of Israel is a corporation.
- (b) The Bank shall have a Monetary Committee, an Administrative Council, and a Governor.
- (c) The Bank shall be seated in Jerusalem and may open branches and representative offices in any other location.

3. Objectives of the Bank

- (a) The objectives of the Bank are:
 - (1) to maintain price stability as its central goal;
 - (2) to support other objectives of the Government's economic policy, especially growth, employment and reducing social gaps, provided that, in the Committee's opinion, this support shall not prejudice the attainment of Price Stability over the Course of Time; for this purpose, "Price Stability over the Course of Time" means a situation in which the Committee, on the basis of the monetary policy that it has established, expects the inflation rate to be within the price-stability range determined per Subsection (b) within no more than two years.
 - (3) to support the stability and orderly activity of the financial system.
- (b) The Government, in consultation with the Governor, shall determine the price-stability range for the purposes of Subsection (a)(1).

4. Functions of the Bank

The Bank's functions are:

- (1) Managing monetary policy;

UNOFFICIAL TRANSLATION

- (2) Holding and managing the Foreign Currency reserves of the State;
- (3) Supporting the orderly activity of the Foreign Currency market in Israel;
- (4) Acting as banker of the Government;
- (5) Regulating the economy's payment and clearing systems so as to ensure their efficiency and stability, including their conformity with the Payment Systems Law, 5768-2008¹⁵;
- (6) Issuing Currency and regulating and guiding the cash system of the economy.
- (7) Supervising and regulating the banking system in accordance with its powers under the banking laws and under any other law.

5. Autonomy of the Bank

To attain its objectives and discharge its functions, the Bank shall be autonomous in choosing its actions and exercising its powers.

Chapter Three: The Governor and the Deputy Governor

6. The Governor

The Governor shall be appointed by the President of the State per recommendation of the Government.

7. Functions of the Governor

- (a) The Governor shall manage the Bank and shall also serve as the chairperson of the Committee and member of the Council.
- (b) The Governor shall serve as advisor to the Government on economic matters, including with regard to reducing social gaps and reducing inequality in income distribution.

¹⁵ Sefer Hahukim 5768, p. 184.

8. The Deputy Governor and His Functions

- (a) The Government shall, per recommendation of the Governor, appoint a Deputy Governor.
- (b) The Governor shall determine the Deputy Governor's functions.
- (c) The Deputy Governor shall be a member of the Committee and the Council.

9. Taking the Governor's Place

In case the Governor is unable to carry out his functions or has ceased to serve, the Deputy Governor shall take the place of the Governor and shall be authorized to exercise the Governor's powers until the state of incapacity ends or a new Governor is appointed, as the case may be.

10. Term in Office

- (a) The Governor shall be appointed to a five-year term and may be reappointed to one term only.
- (b) The Deputy Governor shall be appointed to a five-year term and may be reappointed to one term only. This notwithstanding, the Deputy Governor's term in office shall be terminated at the end of one year after the beginning of a new Governor's term in office, unless his term in office ends at an earlier date; however, the Government may decide, per recommendation of the Governor, that the Deputy Governor shall continue his term in office to its conclusion.

11. Designated Position and Prohibition of Additional Occupation

- (a) During any and all of their terms in office the Governor and the Deputy Governor shall not be members of the Knesset, members of a municipal authority council, or candidates for either of the foregoing;
- (b) During any and all of their terms in office the Governor and the Deputy Governor may not -

- (1) be members in the management body of a group of individuals managing a business for profit;
 - (2) be members in the management body of a group of individuals managing a nonprofit business, if this creates a conflict of interests with the discharge of their duties under this Law;
 - (3) hold any other post or engage, directly or indirectly, in any business or in any other occupation;
 - (4) own shares or any similar right in a Banking Corporation or in another corporation that is subject to supervision or regulation by the Bank under the Banking Laws;
 - (5) hold securities of a corporation registered in Israel and hold in Israel cash and securities in contravention of rules set forth by the Government to prevent conflict of interests on the part of ministers and deputy ministers,¹⁶ *mutatis mutandis*; the Audit Committee may approve exceptions to this provision for reasons which shall be recorded.
- (c) The provisions of Subsection (b) notwithstanding, the Governor or the Deputy Governor may hold any of the posts hereunder, provided that no prejudice is caused thereby to their ability to discharge their duties under this Law or to the Bank's autonomy, objectives, and functions:
- (1) member of a commission appointed by the Government or the Knesset and, regarding the Deputy Governor—the Bank's representative to the Securities Authority;
 - (2) an academic teaching post;
 - (3) with the consent of the Government, a member of an international commission and an international institution;
- and provided the function, except under Paragraph (2), is without any remuneration or other reward; in respect of a paid academic

12. Salary and Terms of Service

- (a) The Government shall determine the Governor's salary and terms of service.
- (b) The Deputy Governor's salary shall equal 90% of that of the Governor and his terms of service shall be determined by the Government.

13. Termination of the Governor's Term in Office

- (a) The President of the State may, per motion of the Government, terminate the term in office of the Governor if he deems the Governor unfit to continue his term in office for one of the following reasons:
 - (1) committing an act unbecoming his status as Governor;
 - (2) violating the provisions of Section 11;
 - (3) permanent incapacity.
- (b) A motion of the Government to the President as per Subsection (a) shall be notified to the Knesset Finance Committee when it is submitted to the President.

14. Termination of the Deputy Governor's Term in Office

The Government may, either per motion of the Governor or after consultation with him, terminate the term in office of the Deputy Governor if it deems him unfit to continue his term in office for one of the following reasons:

- (1) the Governor is of the opinion that he is not discharging his duties appropriately;
- (2) commission of an act unbecoming his status as Deputy Governor;
- (3) violation of the provisions of Section 11;

- (4) permanent incapacity.

Chapter Four: Monetary Committee and Administrative Council

Subchapter A: Monetary Committee

15. The Monetary Committee and Its Functions

The Bank shall have a Monetary Committee whose functions are:

- (1) determining policies for the attainment of the Bank's objectives, including monetary policy;
- (2) monitoring the implementation of the policies determined, reviewing from time to time monetary and economic developments and progress toward the attainment of the policy targets, and discussing other matters related thereto;
- (3) deciding actions under this Law that the Bank should take for the attainment of its objectives; the Committee's decision on the interest rate that is set for the purposes of monetary policy (hereinafter: the Interest Rate) shall be for a specified period of time, at the end of which the Committee shall decide whether to change the Interest Rate or leave it in effect for an additional specified period of time. This provision shall not derogate from the Committee's power to also change the Interest Rate within the period of time specified in a previous decision;
- (4) Any other function assigned to it by this Law, including functions relating to the following: acceptance of deposits and grant of credit as set forth in Section 36(3)–(5); issuing directives concerning the holding of Liquid Assets as set forth in Section 38; managing Foreign Currency reserves as set forth in Section 40; and intervening in trading in the Foreign Currency market as set forth in Section 53.

16. Composition of the Committee

- (a) The Committee shall be composed of six members, amongst them the Governor, who shall serve as chairperson, the Deputy Governor, a Bank employee appointed by the Governor, and three additional members from amongst the public; if no Deputy Governor is serving at a given time, the Governor shall appoint an additional Bank employee as a member of the Committee until a Deputy Governor begins to serve.
- (b) A member from amongst the public shall be qualified for appointment if he is a resident of Israel, is twenty-five years old or older, and fulfills one of the following:
 - (1) holds a Doctoral degree in Economics or Business Administration and has at least five years of experience in the monetary, financial, or macroeconomic field;
 - (2) holds a Master's degree in Economics or Business Administration and has at least eight years of experience in the monetary, financial, or macroeconomic field;
 - (3) has knowledge, expertise and at least ten years of proven professional experience in the monetary, financial, or macroeconomic field, provided that not more than one member is appointed under the provisions of this Paragraph.
- (c) Members from amongst the public shall be appointed by the Government, per recommendation of the Candidate Search Committee as set forth in Section 34 and after consultation with the Appointment Review Committee as per Section 35.

17. Management of Investments

The rules applicable to the Governor and Deputy Governor under Section 11(b)(5) shall apply to Committee members.

18. The Committee's Work Procedure

UNOFFICIAL TRANSLATION

- (a) The chairperson of the Committee shall convene the Committee at least eight times annually; he shall convene a special meeting of the Committee at the request of at least two members, provided the number of special meetings does not exceed twelve annually.
- (b) The lawful quorum at Committee meetings and for resolutions shall be a majority of its members, including the Governor, or, in the Governor's absence from the meeting and with his consent, the Deputy Governor.
- (c) The Committee's resolutions shall be passed by a majority of its members participating in the voting; in the event of a tied vote, the chairperson shall have an additional vote.
- (d) The Committee may, in special cases, hold meetings by use of any means of communication, provided a reasonable attempt was made to locate all Committee members in order to obtain their consent to such meeting, and provided all participating members of the Committee can hear each other simultaneously.
- (e) The Committee shall determine its working procedures insofar as they are not prescribed by this Law.

19. Publication and Reporting to the Government

- (a) The Committee shall publish and report to the Government (in this Section—Publish) a summary of its deliberations and resolutions, the reasoning behind the resolutions, and the numerical results of voting on the resolutions; said Publishing shall take place at the web site of the Bank or in some other manner the Committee deems fit.
- (b) Publishing shall take place within two weeks of the date of deliberations; this notwithstanding, Publishing of the Committee's resolution regarding the Interest Rate or the use of other monetary tools, as well as a condensed presentation of its reasoning, shall take place on the day of the resolution.

UNOFFICIAL TRANSLATION

- (c) The Committee may decide to postpone, for a period of up to six months, the Publication of a summary of a given deliberation, in whole or in part, or the Publication of a condensed presentation of the reasoning behind a resolution concerning the Interest Rate or the Publication of a resolution on the use of other monetary tools, if it deems that said Publication, at that time, may prejudice the results of the monetary policy; the Committee may prolong the non-publication period for additional periods of up to six months each.
- (d) Upon the postponed Publication of the summary of a deliberation, a condensed presentation of reasoning, or a resolution, the Committee shall also Publish the reasons for the postponement.
- (e) The Committee is entitled not to Publish as per Subsection (a) if it believes that this may prejudice the status of the Bank or of the State abroad or their relations with Financial Entities Abroad; in this Section, a “Financial Entity Abroad” is an entity that resembles the entities listed in the definition of “Financial Entity” in Section 1 and is incorporated abroad.
- (f) Where the Committee postpones Publishing or does not carry it out at all as per Subsections (c) or (e), the Governor shall report to the Minister of Finance in writing, soon after the postponement or non-Publication, the details of the deliberation or the resolution to which the decision pertains and shall explain its reasons.

Subchapter B: Administrative Council

20. The Administrative Council and Its Duties

- (a) The Bank shall have an Administrative Council whose duties are:
 - (1) supervising the orderly and efficient management of the Bank;
 - (2) discussing the Bank’s annual work plan;

UNOFFICIAL TRANSLATION

- (3) approving the annual budget for the Bank's administrative activity (in this Section - the "Annual Budget");
 - (4) approving the annual financial statements of the Bank as set forth in Section 75;
 - (5) approving the salary terms of Bank employees and changes thereto, including accompanying terms, and the Bank's salary structure;
 - (6) appointing an internal auditor for the Bank, per proposal of the Audit Committee; the Council is authorized to terminate the term in office of the internal auditor under Section 12(a)(3) of the Internal Audit Law;
 - (7) discussing and deciding on recommendations of the Audit Committee in the matters listed in Section 24(2) and (3);
 - (8) appointing a Rectification Team in the sense of Section 21a(b) of the State Comptroller Law; notwithstanding the provisions of said Section, the Rectification Team shall be headed by the Governor.
 - (9) appointing an accountant-auditor for the Bank and terminating his services;
 - (10) discharging any other function imposed upon it by law.
- (b) The Council shall publish the main provisions of the Bank's annual work plan and its main resolutions, the minutes of its meetings, but it may decide not to publish the minutes of a particular meeting or part thereof, giving the reasons for its decision in writing.
- (c) The Council, within fourteen days of approving the Annual Budget, shall submit it to the Knesset Finance Committee, divided into fields of activity and programs; the Knesset Finance Committee shall hold a discussion on the Annual Budget; soon after the discussion in the Knesset Finance Committee, the Council shall publish the annual budget, divided into fields of activity and programs, in *Reshumot*.
- (d) In respect of Subsection (a)(7)—

UNOFFICIAL TRANSLATION

- (1) The provisions of Section 6a of the Internal Audit Law concerning the management of a public entity and its members shall apply to the Council after the recommendations of the Audit Committee are received, and to the members of the Council, and the provisions of Subsection (b) in said Law in respect of the Superordinate shall apply to the chair of the Council;
- (2) The provisions of Section 7(a) of the Internal Audit Law in respect of the Superordinate shall apply to the Council after the recommendations of the Audit Committee are received;
- (3) Section 7(b) of the Internal Audit Law shall be read as if “The Minister in Charge of the Government Ministry, the chairperson of the board of directors, or the chairperson of an entity that discharges a duty parallel to that of a board of directors, and also the Superordinate,” is replaced by “the Governor, the chairperson of the Council, and the chairperson of the Audit Committee”.
- (4) Without derogating from the contents of Section 6 of the Internal Audit Law, the internal auditor shall also present a report about his findings to the chairperson of the Council and the chairperson of the Audit Committee.

21. Composition of the Council

- (a) The Council shall consist of seven members: the Governor, the Deputy Governor, and five members from amongst the public. If no Deputy Governor is serving at a given time, the Governor shall appoint an additional Bank employee as a member of the Committee until a Deputy Governor begins to serve.
- (b) A Council member from amongst the public shall be a person who fulfills the provisions of Section 16a of the Government Companies Law, *mutatis mutandis*, provided he fulfills the condition of Paragraph (1) of said Section and also one of the conditions of

25. Working Procedures of the Audit Committee

- (a) The lawful quorum at the meetings and for the resolutions of the Audit Committee shall be a majority of its members, including the chairperson.
- (b) The resolutions of the Audit Committee shall be passed by majority vote of those participating in the voting; in the event of a tied vote, the chairperson shall have an additional vote.
- (c) The Audit Committee may, in special cases, hold meetings by any means of communication, provided that a reasonable attempt was made to locate all members of the Committee in order to obtain their consent to the holding of such meeting, and provided that all participating members of the Committee can hear each other simultaneously.
- (d) The Internal Auditor shall receive notices of the Audit Committee's meetings and may attend them; the Internal Auditor shall attend Committee discussions of reports that he prepared.
- (e) The Internal Auditor may ask the chairperson of the Audit Committee to convene the Committee for discussion of an issue specified in his request, and the chairperson of the Audit Committee shall convene it within a reasonable time of the date of the request.
- (f) Notice about an Audit Committee meeting, at which an issue related to an audit of the Financial Reports will be raised, shall be presented to the Accountant-Auditor of the Bank, who may then participate in the meeting.

Subchapter D: Joint Provisions for the Monetary Committee and the Administrative Council

26. Restrictions of Service

UNOFFICIAL TRANSLATION

- (a) No person shall be appointed as or serve as a member from amongst the public of the Committee or the Council if he is a member of the Knesset, a member of a municipal authority council, or a candidate for either of the foregoing ;
- (b) No person shall be appointed as or serve as a member from amongst the public of the Committee or the Council (hereinafter: the Position) if he is-
 - (1) an employee of the Bank, a person employed in the service of the Bank, an employee of the State, an employee of a statutory corporation, and an employee or director of a government company or government subsidiary in the sense of these terms in the Government Companies Law;
 - (2) an employee or an officer of a financial entity or a principal in a financial entity; for this purpose, the expressions “officer” and “principal” shall be as defined in the Companies Law;
 - (3) a person whose business or occupation may create a conflict of interest with the Position;
 - (4) a person who has a personal, business, or political relationship with any minister in the Government;
 - (5) a person who has been convicted of a crime that, due to its material or circumstantial gravity, renders him unfit to serve in the Position;
 - (6) a person who is disqualified from serving as a director of a corporation under the Companies Law or any other law;
 - (7) a person who cannot devote the necessary time to the performance of the Position's duties.

27. Preserving the Effect of Resolutions

The resolutions of the Committee and the Council shall not be prejudiced by the vacancy of a member's Position or by a defect in the member's appointment or continued term in office.

- (e) The provisions of Section 27 shall apply to resolutions of the Candidate Search Committee and the provisions of Section 29 shall apply to its members, *mutatis mutandis*.

34. Duties of the Candidate Search Committee

- (a) The Candidate Search Committee shall recommend to the Government, after consultation with the Governor, candidates for service as members from amongst the public on the Committee or the Council, as set forth in Section 16(c) or Section 21(c), as the case may be, after reviewing their eligibility in accordance with the provisions of Section 16(b) or Section 21(b), as the case may be, and in accordance with Section 26, and their suitability for the position, with attention devoted, among other matters, to the special needs of the Committee or the Council, as the case may be.
- (b) The Candidate Search Committee shall determine its working procedures, including methods of candidate-search and submission of candidacy for service in the Position.
- (c) The lawful quorum for meetings of the Candidate Search Committee shall be the chairperson and one additional member.
- (d) Resolutions of the Candidate Search Committee shall be passed by majority vote of committee members participating in the voting; in the event of a tied vote, the chairperson shall have an additional vote.
- (e) The Government, per motion of the Minister of Finance, shall establish provisions relating to remuneration and expenses for members of the Candidate Search Committee, to be paid from the State Treasury.

35. Consultation with the Appointment Review Committee

- (a) A member from amongst the public of the Committee or the Council shall be appointed after consultation with the Appointment Review Committee concerning the satisfaction of the conditions of eligibility under Sections 16(b) or 21(b), as the case may be, and the restrictions in Section 26; the Appointment Review Committee shall consult with the Governor.
- (b) A member of the Candidate Search Committee shall be appointed after consultation with the Appointment Review Committee.
- (c) If the Appointment Review Committee decides not to recommend a candidate for service in any of the positions stated in Subsections (a) and (b) because a restriction set forth in Section 26 applies to him, said candidate shall not be appointed to the position.

Chapter Five: Actions for the Discharge of the Bank's Functions

36. Actions for the Discharge of Functions

To attain its objectives and discharge its functions, the Bank may:

- (1) issue securities of the Bank, provided that the issue of securities of a new type valid up to thirteen months shall entail consultation with the Minister of Finance, and issuing securities of any type valid over thirteen months shall entail his consent;

UNOFFICIAL TRANSLATION

- (2) Perform, on the stock exchange or in another regulated market or off-market, an action or transaction of any kind that is customary in the capital, money, and Foreign Currency markets, including in the derivatives' markets, all of which apply to securities, currency, gold, or any other asset or instrument as are customary in said markets; provided the purchase or sale of Government of Israel debentures whose maturity date exceeds thirteen months from the purchase or sale date, as the case may be, with the exception of repurchase transactions in such debentures, shall be executed in consultation with the Minister of Finance and in such manner that it does not materially prejudice the ability to raise local debt to finance the Government's activity;
- (3) receive deposits from Banking Corporations under conditions set forth by the Committee;
- (4) grant credit to Banking Corporations, under conditions determined by the Committee in this matter, including conditions regarding the type and extent of collateral required against said grant of credit and including conditions imposed upon Banking Corporations regarding their activities related to the said granting of credit, including interest rates and other payments they may charge their customers; The aforementioned notwithstanding, under exceptional circumstances, when the Committee is of the opinion that there exists a genuine threat to the stability or orderly activity of the financial system, the Committee may establish conditions that differ from those it established regarding regular circumstances; such conditions will apply so long as the credit has not been repaid in full, and may be established even prior to the granting of the credit;
- (5) under exceptional circumstances, when the Committee is of the opinion that there exists a genuine threat to the stability or orderly activity of the financial system - grant credit to Financial Entities that are not Banking Corporations, under conditions the Committee

determines with regard to the said granting of credit, including those stated in Paragraph (4), *mutatis mutandis*, which shall apply so long as the credit has not been repaid in full, and may be established even prior to the granting of the credit and subject to receipt of all information the Bank requires at such dates and in such manner as it establishes; where said Financial Entity is supervised by a Supervisory Authority, the Committee shall consult with the head of the Supervisory Authority;

- (6) take any other action the Bank deems necessary, provided it obtains the approval of the Committee for the type of action at issue; if the Governor believes there are grounds for said action under circumstances of special urgency, he may issue instructions to take the action and shall report to the Committee thereof immediately after the action is performed.

37. Pledging of Securities as Collateral for Credit

- (a) Where securities are pledged as collateral for the grant of credit by the Bank under this Chapter, the pledge shall be valid against other creditors of the pledgor and it shall be regarded as a fixed lien, provided the securities are registered in favor of the Bank with a Financial Agent as defined in Section 50A of the Securities Law.
- (b) The provisions of Section 19(b) of the Pledge Law, 5727-1967²² (in this Section—the Pledge Law) notwithstanding, the Bank shall not realize a securities pledge, that was created as collateral against the granting of credit under this Chapter, as per Section 17(3) of the Pledge Law, unless it serves notice of its intention to do so, two business days in advance, to the pledgor and to any person whose right may be prejudiced by said realization; However, the Bank may realize such pledge without serving prior notice if, in the opinion of the Governor or whomever among the Bank's employees

²² Sefer Hahukim 5727, p. 48.

he authorizes for this purpose, a delay in the realization of the pledge may significantly prejudice the ability to repay the obligation secured by means of said realization, provided the Bank serves notice about the realization immediately after the performance thereof, to the pledgor and to any person whose right may be prejudiced by it.

- (c) For the purpose of the requirement of serving notice under this Section, the transfer of securities pledged to the Bank to an account exclusively owned thereby shall not be viewed as realization of the pledge.
- (d) The provisions of this Section shall also apply to a right in a security, and, in respect of a securities account, to such securities as are therein from time to time.
- (e) The provisions of this Section shall apply notwithstanding the provisions of any other law, including the Companies (New Version) Ordinance, 5743-1983,²³ the Pledge Law, and the Companies Law; however, this Section shall not derogate from the Bank's right to act regarding a securities pledge and the realization thereof under the provisions of any other law.

38. Liquid Assets of Banking Corporations

- (a) In this Section—
 - “Liquidity Directives”— directives issued under Subsection (b);
 - “Liquid Assets”— assets that the Governor, with the approval of the Committee, has determined in the Liquidity Directives.
- (b) The Governor, with the approval of the Committee, may instruct all or any kind of Banking Corporations to hold Liquid Assets at a rate and in a composition that he determines, and he may determine such a rate either as a percentage of all deposit liabilities of the Banking Corporation or of all its assets, or both, or in any other

²³ Dinnei Medinat Israel, New Version 37, p. 761.

UNOFFICIAL TRANSLATION

manner, and he may also set different rates for kinds of deposits or assets defined for this purpose.

- (c) The Liquidity Directives shall be published in *Reshumot* and on the Bank's web site, and they shall include their commencement date, provided that the said commencement date is at least three days from the date of the publication on the web site; the version published in *Reshumot* shall be the binding version; a notice regarding the issue of the directives shall be sent to the Banking Corporations to which they apply on the day they appear on the web site.
- (d) The Governor may instruct that a certain liability of a Banking Corporation be considered a deposit for the purpose of the Liquidity Directives.
- (e) Banking Corporations shall not be paid interest on the Liquid Assets, in whole or in part, held at the Bank, unless the Liquidity Directives determine otherwise, and at a rate so determined.
- (f) A Banking Corporation shall, at the demand of the Governor and on dates that he determines, present the Bank with a report on its liabilities and assets as is necessary for calculating the amount of Liquid Assets that it must hold and particulars of the Liquid Assets that said Banking Corporation actually holds.
- (g) If a Banking Corporation fails to hold Liquid Assets in accordance with the Liquidity Directives, it shall pay interest to the Bank at a rate determined in the Liquidity Directives, on the difference between the total amount in Liquid Assets that it has been required to hold and the total amount in Liquid Assets that it held in respect of any period during which such difference existed.
- (h) The Governor may, with the approval of the Committee, instruct a Banking Corporation as set forth in Subsection (g), that during a period specified in such instruction and in the manner specified therein, such Banking Corporation discontinue or limit the grant of credit, the performance of investments, or the distribution of profits

to its shareholders, or that such actions be executed under restrictions; If the Governor so instructed, such instruction shall be published, if the Governor deems it necessary, in a manner he shall determine.

39. Information and Reports to the Bank

- (a) The Governor, or a Bank employee whom the Governor authorized for this purpose, may issue an order that requests from a Regulatory Authority supervising a Financial Entity any information regarding such classes of transactions or of persons as the Governor determines, with the approval of the Committee, needed to attain the Bank's objectives and discharge its functions; if the Regulatory Authority does not provide the Governor or the Bank employee with the information within a reasonable time, or if the Financial Entity is not supervised by a Regulatory Authority, the Governor or a Bank employee whom the Governor authorized for this purpose may demand the said information from the Financial Entity, at such time as he may determine.
- (b) To attain the Bank's objectives and discharge its functions, the Governor, with the approval of the Committee, may issue an order requiring any class of persons, as determined in the order, to provide the Bank with information, as detailed in the order, necessary for following developments in the Foreign Currency market in Israel, including information relating to the following:
 - (1) transactions carried out by an Israeli resident in Foreign Currency, in a foreign security, and in real estate abroad;
 - (2) transactions between an Israeli resident and a nonresident, in Israel or abroad, and transactions by an Israeli resident abroad;
 - (3) transactions carried out in Israel by a nonresident, excluding transactions that are ordinarily made by tourists, or in regard to an asset in Israel, including transactions in Israeli

Currency;

- (4) the possession by a resident of Israel of Foreign Currency and of a foreign security and of real estate abroad;
 - (5) the removal of any asset from Israel and the bringing to Israel of Israeli Currency or a right to Israeli Currency.
- (c) An order as per Subsection (b) shall establish the following, *inter alia*:
- (1) definitions of the terms “foreign security,” “transaction,” “nonresident,” and “Israeli resident” for the purposes of the order;
 - (2) methods and dates for providing the information.
- (d) To attain the Bank’s objectives and discharge its functions, the Governor, or a Bank employee whom the Governor authorizes for this purpose, may request from a Regulatory Authority information set forth in Subsection (a), and he may instruct any person to provide any additional information regarding transactions set forth in Subsection (b) if the information is required for understanding of a process or transaction of material importance for the economy; if the Regulatory Authority does not provide the Governor or the Bank employee with the information as per Subsection (a) within a reasonable time, or if the Financial Entity is not supervised by a Regulatory Authority, the Governor or a Bank employee whom the Governor authorized for this purpose may demand the said information from the Financial Entity, at such time as he may determine.

Chapter Six: Management of Foreign Currency Reserves

40. Management of the Foreign Currency Reserves of the State

- (a) The Committee, with the approval of the Minister of Finance, may

UNOFFICIAL TRANSLATION

revise the principles by which the Governor shall determine the desired level of Foreign Currency reserves over the long term.

- (b) The Committee, in consultation with the Minister of Finance, shall establish guidelines for the investment policy of the Foreign Currency reserves.
- (c) The Committee shall report to the Minister of Finance, within three months following the end of each half-year, details about the management of the Foreign Currency reserves during the half-year ended, in a format that they shall determined by consent.
- (d) The Committee shall publish, within three months following the end of each year, a report about the principal kinds of currency and securities of which the Foreign Currency reserves were composed at the end of said year, in a manner that shall not prejudice the orderly management of the Foreign Currency reserves; said report shall be posted at the website of the Bank or in such manner as the Committee deems fit.

Chapter Seven: Banknotes and Coins

41. Issuing Legal Tender

- (a) The Bank may issue and re-issue Currency.
- (b) Currency issued by the Bank shall be legal tender in Israel in the amount of its face value.

42. Power to Determine Particulars of Banknotes and Coins

- (a) The Governor, with the approval of the Council and the Government, shall determine the face value, form, content, and other particulars of banknotes to be issued; said notes shall bear the facsimile signature of the Governor.
- (b) The Governor, with the approval of the Council and the Government, shall determine the face value, composition, weight,

UNOFFICIAL TRANSLATION

design, and other particulars of coins to be issued.

43. Commemorative Coins and Special Coins and Numismatic Items

- (a) A coin issued by the Bank that has been declared by the Governor, with the approval of the Council and the Government, to be a commemorative coin or a special coin, or numismatic items issued to the public by the Bank that are legal tender in Israel, shall be delivered by the Bank, for their sale, only to a company appointed therefor by the Minister of Finance with the consent of the Governor.
- (b) The provisions in Section 42(b) shall apply to coins and numismatic items as set forth in Subsection (a).
- (c) The provisions in Subsection (a) shall not preclude the Bank from keeping commemorative coins, special coins or numismatic items, or from presenting them as gifts to whomever it deems fit.

44. Prohibition against Issuing Currency

- (a) No person other than the Bank shall issue or circulate banknotes, coins, a document, or any other object, that the Governor has determined may be used as a substitute for Currency.
- (b) If a person issues a substitute for Currency in contravention of Subsection (a), the Governor may confiscate it.

45. Canceling and Replacing Banknotes and Coins

- (a) The Governor may issue an order, with the approval of the Knesset Finance Committee, determining that banknotes and coins specified in the order shall cease to be legal tender in Israel (in this Section—Cancellation Order).
- (b) A person who, during the period set forth in the Cancellation Order, delivers to the Bank, or to whomever the Governor designates in said Order, banknotes or coins that have ceased to be legal tender according to the Order, is entitled to receive legal tender of equal

UNOFFICIAL TRANSLATION

value in exchange therefor; the Governor may establish in the Cancellation Order a fee that shall be charged in this regard.

- (c) A Cancellation Order shall not derogate from any statute that determines the unit of Currency or any division thereof.
- (d) Once a Cancellation Order has been issued, wherever any amount is payable in cash and said payment can be made only by using a cancelled banknote or coin, such amount shall be rounded to the nearest amount that can be paid in legal tender, and where it can be rounded either upwards or downwards, it shall be rounded upwards.
- (e) A Cancellation Order may determine that the provisions of Subsection (d) shall apply also to a non-cash payment and an entry into a book of accounts, either compulsorily or at the option of the person making said payment or entry.
- (f) The Governor may determine, in rules, provisions for the withdrawal from circulation of Currency damaged through use or destroyed and for its replacement under conditions determined in the rules; rules regarding a fee for such replacement that the Bank shall charge therefor shall be determined with the approval of the Knesset Finance Committee.

46. Currency Services

The Governor, with the approval of the Council, may determine, in rules, the services the Bank shall provide regarding Currency, the entities to which said services shall be provided, and the conditions under which this shall be done; he may also prescribe the fees that may be charged for said services.

47. Rules for Orderly Operation of the Currency System

The Governor, with the approval of the Council, may establish rules necessary for the orderly operation of the Currency system, including rules—

- (1) allowing the continual, orderly supply of Currency of adequate

UNOFFICIAL TRANSLATION

- quality;
- (2) requiring Banking Corporations and the Postal Company to take actions as shall be determined in the rules for the replacement of banknotes or coins in circulation so as to prevent or cease the use of counterfeit currency in circulation, to replace the aforesaid with new legal tender issued, or for other purpose related to the Currency system, including assurance of the adequate quality of banknotes or coins.

Chapter Eight: Banking Activities of the Bank

48. The Bank as the Government's Banker

- (a) The Bank shall be the sole banker of the Government in its Banking Activity in Israeli Currency. In this regard, "Banking Activity"—any kind of activity in which a Banking Corporation may engage under the Banking (Licensing) Law.
- (b) The provision of Subsection (a) notwithstanding, the Government may, per agreement between it and the Bank, obtain certain services from Banking Corporations or Financial Entities, provided this be done only in order to manage the Government's debt and fiscal activity.
- (c) Payments made by the Government to the Bank for services rendered to it under Subsection (a), the interest rate that the Bank shall pay the Government for its deposits at the Bank, and the interest rate that the Government shall pay the Bank for overdraft balances, shall be agreed upon by the Bank and the Government.
- (d) The Government's policy regarding receiving loans and issuing securities shall be determined in consultation with the Governor or with a person whom he authorizes for said purpose; said consultation shall be conducted at least once every quarter.
- (e) The administration of State Loans issued in Israel by a law enacted

UNOFFICIAL TRANSLATION

prior to the publication of this law shall be carried out by the Bank, if no other provision exists in a law regarding a specific loan.

49. Loans to the Government

- (a) The Bank shall not provide the Government with a loan to finance its expenditures, including via direct purchase of Government debentures at issuance.
- (b) The provision of Subsection (a) notwithstanding, the Bank may provide the Government, at its request, with a temporary advance to bridge a gap in the Government's cash flow in executing its budget, provided the total temporary advance shall not exceed, at any time, NIS 10 billion, and shall not be extended for more than 150 days per year; this amount shall be updated on January 1 of each year starting January 1, 2013, based on the rate of change between the Index published in December of the year before the date of the adjustment and the Index published in December of the preceding year.

50. Management of Accounts

- (a) The Bank may manage accounts for Banking Corporations and other Financial Entities and, per decision of the Governor with approval of the Committee, for foreign central banks, monetary authorities, and foreign banks, all of which under conditions that the Governor determines, including the charging of management fees or other fees.
- (b) An account with the Bank may be managed in either Israeli or Foreign Currency, as the Governor determines.

Chapter Nine: The Economy's Foreign Currency Activity

51. Prohibition of Transactions

- (a) The Government, per proposal of the Minister of Finance and in consultation with the Governor, may determine by order that transactions under Section 39(b)(1)–(5), in whole or in part, shall be prohibited.
- (b) The provision in Subsection (a) notwithstanding, the Minister of Finance, with the consent of the Prime Minister and in consultation with the Governor, may determine as per Subsection (a), if he believes that circumstances arise justifying the issuance of the order not by the Government, but such order shall expire, if not ratified by the Government, within 14 days.
- (c) An order under Subsections (a) and (b) may be either general or related to a class of matters, a specific matter, or a class of persons, and various definitions therein may differ from those determined under Section 39(c)(1).
- (d) An order under Subsection (a) and an order under Subsection (b) that has been ratified by the Government, shall expire at the end of six months after it takes effect, unless a shorter period is stipulated in the order; the Government, per proposal of the Minister of Finance and in consultation with the Governor, and with the approval of the Knesset Finance Committee, may extend the effect of the order for additional periods of six months each.

52. Supervisory Powers

- (a) The Governor may authorize an employee of the Bank to supervise the fulfillment of the provisions of an order of the type described in Section 51 (in this Section—Supervisor), provided that all the following terms are met:
 - (1) The Israel Police states, no later than three months from the date on which it receives the employee's particulars, that

UNOFFICIAL TRANSLATION

- they do not object to the authorization of said employee on grounds of public security, including grounds of criminal record;
- (2) said employee received appropriate training as instructed by the Governor with the consent of the Minister of Internal Security;
 - (3) he meets additional terms of eligibility insofar as such are established by the Governor, with the consent of the Minister of Internal Security.
- (b) To supervise the performance of the Order as per Section 51, the Supervisor may—
- (1) Demand that any person allegedly concerned identify himself by name and address and present him with an ID card or other official document that establishes his identity;
 - (2) Demand that any person concerned furnish him with any information or document that may assure or facilitate the performance of the provisions of an order under Section 51; in this Paragraph, the term “document” includes output as defined in the Computers Law, 5755-1995²⁴;
 - (3) Enter any place that needs to be entered for the enforcement of an order under Section 51, provided that a place used as residence is entered only by court order.
- (c) A Supervisor shall not make use of the powers vested in him under this Section, except for the discharge of his duties and unless he satisfies the following two conditions:
- (1) wearing, in a visible place on his person, a tag identifying him and his function;
 - (2) carrying a supervisor’s certificate that attests to his function and powers, which he shall produce upon request.

²⁴ Sefer Hahukim, 5755, p. 366.

Chapter Ten: The Exchange Rate

53. The Exchange Rate

- (a) The rate of exchange of the Currency into Foreign Currency shall be determined by the Foreign Currency market, unless the Government, in consultation with the Governor, determines another method.
- (b) If the Committee believes it necessary for the attainment of the Bank's objectives and the discharge of its functions, it may decide that the Bank shall intervene in trading in the Foreign Currency market even if by doing so it causes a temporary deviation from the desired level of Foreign Currency reserves as per Section 40; immediately following this intervention, the Committee shall report it to the Minister of Finance.
- (c) If the Governor believes there is reason for intervention of the sort set forth in Subsection (b) and, due to the urgency of the matter, the approval of the Committee cannot be obtained before the intervention, the Governor may intervene in trading and report his actions and the reasons for the urgency of the matter to the Committee and the Minister of Finance immediately after the intervention.
- (d) The provision of Subsection (b) notwithstanding, where the Committee believes the Bank should intervene in trading in the Foreign Currency market neither for administering the monetary policy nor to support the stability of the financial system, it may, with the approval of the Minister of Finance, decide upon such intervention; however, if the approval of the Minister of Finance cannot be obtained before said intervention due to the urgency of the required action, the Committee may intervene in said trading and it shall report its actions and the reasons for the urgency of the matter to the Minister of Finance immediately afterwards.

Chapter Eleven: Reports to the Public

54. Annual Report about the State of the Economy

Within three months of the end of each year, the Governor, in his capacity as advisor to the Government as per Section 7(b), shall present the Government and the Knesset Finance Committee with a report that contains a survey and analysis of the state of the economy and the economic policy in the previous year.

55. Periodic Report on Monetary Policy

- (a) No less than twice annually, the Committee shall present the Government and the Knesset Finance Committee with a report containing a survey of developments in the field of price stability and economic developments in the time period covered by the report, and the policy that the Committee believes necessary for the maintenance of price stability within the range determined by the Government as per Section 3(b), and for the attainment of the other objectives in Section 3.
- (b) If the inflation rate deviates, during six consecutive months, from the range determined by the Government as per Section 3(b), said periodic report shall include details about the reasons for the deviation, the policy that the Committee has adopted to readjust the inflation rate to the determined range, and the Committee's estimate of the period of time required for the attainment of this result; for this purpose, "deviation of the inflation rate" is the change between the Index most recently published before the date of the calculation and the Index published in the same month of the preceding year.
- (c) The Knesset Finance Committee shall discuss the report presented under this Section, with the participation of the Governor, immediately after the report is presented; if a report as per

UNOFFICIAL TRANSLATION

Subsection (b) is submitted, the discussion shall take place with the participation of the Minister of Finance as well.

56. Annual Report about the Foreign Currency Reserves

Within three months after the end of each year, the Committee shall present the Government and the Knesset Finance Committee with a report that shall include the principles by which the desired level of Foreign Currency reserves over the long term was determined and the guidelines by which the Bank's Foreign Currency reserve investment policy for the year ended was determined.

57. Other Reports

The Government and the Knesset Finance Committee may, at any time, demand that the Bank present them with a report on any matter relating to the activities of the Bank in discharging its functions.

Chapter Twelve: Financial Sanctions

58. Financial Sanction

- (a) If a person violates any of the provisions of this Law as specified below, the Governor may impose a financial sanction under this Chapter in the amount of NIS 5 million:
- (1) violation of a condition imposed with regard to receipt of credit from the Bank under Sections 36(4) or (5);
 - (2) failure to submit a report at the request of the Governor under Section 38(e) or presentation of an inaccurate or incomplete report;
 - (3) failure to terminate or limit the grant of credit, investments or distribution of profits in accordance with the Governor's directives under Section 38(g);

UNOFFICIAL TRANSLATION

- (b) If a Banking Corporation is required to hold Liquid Assets at a rate or in a composition that the Governor determines in Liquidity Directives under Section 38(b) and fails to do so, the Governor may impose upon said Banking Corporation a financial sanction under the provisions of this Chapter, in the amount of NIS 2 million.
- (c) If a Financial Entity is asked to provide information under Section 39(a) and fails to do so, or if it provides information that is inaccurate or incomplete, the Governor may impose upon said Financial Entity a financial sanction under the provisions of this Chapter, in the amount of NIS 500,000.
- (d) If a person performs a transaction that is defined as prohibited in an order under Section 51, the Governor may impose upon said person a financial sanction under the provisions of this Chapter, in the amount of NIS 100,000; if said person is a corporation—in the amount of NIS 750,000, and if said person is a Banking Corporation—in the amount of NIS 1,500,000.
- (e) If a person is required to provide information under Section 39(b) or (d) and fails to do so, or if he provides information that is inaccurate or incomplete, the Governor may impose upon said person a financial sanction under the provisions of this Chapter, in the amount of NIS 50,000; and if he is a corporation—in the amount of NIS 100,000.

59. Notice of Intent to Impose Sanction

- (a) If the Governor has reasonable grounds to assume that a person has violated any of the provisions of this Law as set forth in Section 58 (in this Chapter—the Violator) and intends to impose upon the Violator a financial sanction in the amount set forth in said Section, he shall serve the Violator with a notice of intent to impose a financial sanction upon him (in this Chapter—Notice of Intent to Impose Sanction).

UNOFFICIAL TRANSLATION

- (b) In the Notice of Intent to Impose Sanction, the Governor shall note the following, *inter alia*,
- (1) the action or inaction (in this chapter—the Action) that constitutes the violation;
 - (2) the amount of the financial sanction and the period for payment thereof;
 - (3) the Violator’s right to present his arguments under the provisions of Section 60;
 - (4) the rate of the increase to the financial sanction for a continuous or recurrent violation under the provisions of Section 62.

60. Rights to Present Arguments

Once a Violator is served with a Notice of Intent to Impose Sanction, he is entitled to present his arguments before the Governor, orally or in writing, as the Governor may decide, in respect of the intent to impose a financial sanction upon him and in respect to its amount, within 30 days of the date on which said notice is served.

61. The Governor’s Decision and the Demand for Payment

- (a) The Governor shall decide, after considering the arguments presented under the provisions of Section 60, whether to impose a financial sanction upon the Violator; the Governor may reduce the amount of the financial sanction in accordance with the provisions of Section 63.
- (b) If the Governor decides, under the provisions of Subsection (a), to impose a financial sanction upon the Violator, the Governor shall serve the Violator with a demand for payment of the financial sanction (hereinafter—Demand for Payment); in the Demand for Payment, the Governor shall note, *inter alia*, the adjusted amount of the financial sanction and the period for the payment thereof; if the Governor decides not to impose a financial sanction upon the

UNOFFICIAL TRANSLATION

Violator, he shall serve the Violator with notice to this effect.

- (c) If the Violator fails to present his arguments in accordance with the provisions of Section 60 within thirty days of being served with a Notice of Intent to Impose a Sanction, such notice, at the end of the said thirty days, shall constitute a Demand for Payment served on the Violator at the said time.

62. Continuous Violation and Recurrent Violation

- (a) In the event of a continuous violation, the financial sanction set forth for the violation at issue shall be increased by a financial sanction at the rate of one-fiftieth thereof for each day on which the violation continues.
- (b) In the event of a Recurrent Violation, the financial sanction that may be imposed for said violation if it were a first violation shall be increased by an amount equal to one-half of said financial sanction; for this purpose, a “Recurrent Violation” is a violation of one of the provisions listed in Section 58, within two years of a previous violation of the provision due to which a financial sanction was imposed upon the Violator.

63. Reduced Amounts

- (a) The Governor may not impose a financial sanction in a lower amount than that set forth in this Chapter, except in accordance with the provisions of Subsection (b).
- (b) The Governor, in consultation with the Minister of Justice, may determine, in an Order, cases, circumstances, and considerations allowing the reduction of the financial sanctions established in this Chapter, and maximum rates of reduction.

64. Adjusted Amount of Financial Sanction

- (a) The financial sanction shall be set at the adjusted amount as of the

UNOFFICIAL TRANSLATION

date of serving of demand for payment and, in regard to a Violator who has not presented the Governor with his arguments as set forth in Section 61(c)—as of the date of serving of Notice of Intent to Impose Financial Sanction; if a court appeal is filed under Section 68 and the court allows a stay of payment of said financial sanction—the financial sanction shall be set at the adjusted amount on the day the appeal decision is rendered.

- (b) The Governor, with the approval of the Knesset Finance Committee, may adjust the amounts set forth in Sections 58 and 70; notice about the adjusted financial sanction amounts shall be published in *Reshumot*.

65. Deadline for Payment of Financial Sanction

A financial sanction shall be paid within thirty days of the day on which the Demand for Payment specified in Section 61 is served.

66. Indexation Differentials and Interest

If a financial sanction is not paid on time, it shall be increased on account of the period of arrears by indexation differentials and interest under the Interest and Indexation Ruling Law, 5721-1961²⁵ (in this Chapter—Indexation Differentials and Interest) until it is paid.

67. Collection

A financial sanction shall be paid to the State Treasury and the Tax (Collection) Ordinance²⁶ shall apply thereto.

68. Appeal

- (a) A Demand for Payment may be appealed in Jerusalem Magistrate's Court within thirty days of the serving of the demand;

²⁵ Sefer Hahukim, 5721, p. 192.

²⁶ The Laws of the Land of Israel, Volume 2, p. 1374(h), 1399(e).

UNOFFICIAL TRANSLATION

- (b) The filing of an appeal shall not delay the payment of a financial sanction, unless the Governor assents thereto or if the court so orders;
- (c) If the appeal is upheld, the financial sanction shall be refunded, plus Indexation Differentials and Interest from the date it was paid to the date of the refund.

69. Publication
