

# Partner Status Statement

Name of Partner: Malam Systems Ltd

Date: 18<sup>th</sup> February 2025

To whom it may concern,

Malam Systems Ltd are the sole certified partner and reseller of Rocket Software's COBOL & Enterprise solutions for the entire territory of Israel.

These solutions were part of the Application Modernization and Connectivity (AMC) business of Opentext, formerly part of Micro Focus .

In May 2024 Rocket Software wholly acquired the AMC business unit, including the COBOL product portfolios for Visual COBOL, COBOL Server, Server Express, Net Express , Server for COBOL, and the Enterprise mainframe modernization suite including Enterprise Analyzer, Enterprise Developer and Enterprise Server
